Summary

This is a Pokedex from the first season of Pokemon

[Costumes & Accessories](#) > [Props](#)

Tags: [pokemon](#) [printinplace](#) [pokedex](#)

This design features a fully working hinge and is modelled after the pokedex from the first season of pokemon.

Depending on your print settings the hinge can print a little stiff and may require a little sanding to make smooth.

I used Bambulab filament and there was some warping issues to fix this I raised the print bed temperature to 60 degrees and turned on the auxillary fan on my P1S.
